## Objectives

We will discuss the following topics

- Update on the project review queue
- We review in the order in which projects are received. First in-first out.
- New Chapter 3 Behavioral Health Licensing Program
- Working on a new portal for project contacts to track the status/position of their queued project without needing to contact our staff.
- Latest update to our FGI Frequently Asked Questions page
  - Discussion of all FAQs
  - Specific new FAQs
    - Safety Risk Assessment Documents for ALL projects
    - When should I submit my plans for FGI Review?
    - Endoscopy centers to be designed/reviewed to FGI 2.7 rather than 2.9
    - Clearance guidelines for patient beds must take radiused corners into consideration.
- FGI Formal Interpretations link has been added to our web page.
